Take Safe Sport Training

Safe, inclusive sport environments help make sport rewarding and enriching for all. Safe Sport Training gives you the knowledge and skills to create those environments by recognizing, addressing and preventing maltreatment in sport.

Creating a culture where everyone can thrive is a shared responsibility. Safe Sport Training was developed to help anyone involved in sport — whether you have direct contact with athletes or work in the background — to promote physical, psychological, and social health, in line with the Universal Code of Conduct to Prevent and Address Maltreatment in Sport.
